

# Narrative Writing Prompt

## Teacher Version

<b>Grade</b>	<b>4</b>	<b>Title/Subject</b>	<b>Creative Story – Native American Pictures</b>
--------------	----------	----------------------	--

Included in this packet:

1. Teacher directions
2. Student prompt and instructions
3. Five visuals for students to choose from for creating a narrative

## Overview

Students will view five images of Native Americans. They will get to choose one image to use as a basis for a narrative they will create. On day 1 they have the opportunity to choose an image, discuss possible storylines with a peer and plan their narrative. On day 2 they draft the full narrative. On day 3 they are reminded to reread the narrative and revise for elements of quality narratives, then edit their work and if time, produce a final copy.

## Process:

### Day 1: Planning - Up to 60 minutes

#### Step 1: Display images and choose

With a document camera or projector display each of the 5 images, one at a time. Tell students they will be using the images to use as a springboard for a narrative they will be creating. When you are finished showing each image, post the images around the classroom and let the students walk around the classroom and discuss the images.

#### Step 2: Discuss storyline possibilities with peers

Tell students to take turns sharing ideas for a storyline based on the images. Remind them that narratives have characters, settings or situations, and plot. Have them discuss possible ideas for their stories with each other.

#### Step 3: Planning

Distribute blank paper to the students. Tell them to plan their narrative using whichever techniques you have taught them that they prefer. This may include storyboarding, a storymap or graphic organizer, storyhill, etc. You may remind them of the strategies for planning, but **DO NOT provide a pre-printed graphic organizer**. They need to create their own plans for this on-demand writing task.

## Day 2: Writing a Draft - Up to 60 minutes

### Step 1: Review of process

Tell students that they will now write a first draft of their story. You may review the process for writing a story by going over the student-friendly directions included with this prompt.

### Step 2: Drafting

Tell the students they will now have up to 50 minutes to write their stories. Remind them that it is helpful to skip lines to make it easier to revise their work later. Maintain a quiet atmosphere during the writing period so that all students may concentrate on their own work.

## Day 3: Revising and Editing - Up to 60 minutes

### Step 1: Review of process

Tell students that they will now have up to an hour to revise and edit their story. You may use the student prompt to remind them of the elements needed in a quality narrative. If there is time, students may choose to type or re-copy their work to a final draft, or they may just make corrections on their first draft.

### Step 2: Revise and Edit

Provide students with up to an hour to finish a final draft. When they are finished, collect all pieces of their work: planning page, drafting pages, and final draft.

### Teacher Directions for Scoring Rubric:
